**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We recently joined Sonic with their fiber optic project and are very happy with their service and internet reliability compared to the competitors.

In Europe internet is way cheaper than in the US where internet started long before. We need to have competition to improve the service and reduce the cost.

Thanks for considering this in your judgement.
